COMMODORE'S LOG

Thank you for your confidence in electing me Commodore for 2017. We have an eventful year ahead. We continue our plans to improve the Club building and property. This year we tackle the interior with upgrades to the insulation, ceiling and lighting. We are also planning to replace the carpet. This project has been in the planning stage since 2014. We know that there will be disruption due to the nature of the work, and ask for your patience and understanding.

Both the H&G Committee and the Planning Committee have recommended that the next major project be the replacement of the furniture. This will wait until we have funding available.

Through the work of many, our Club has experienced incredible membership growth. We welcome our new members and thank our long term members for their continued support of our Club. I look forward to hearing your comments and suggestions.

Please volunteer for a committee many of which are forming now. It's a great way to meet people and get involved. Committees are forming now.

Barbara Ebstein, Commodore
